## LABOR AGREEMENT

This AGREEMENT is entered into the 20th day of October 1992 between LOCAL UNION NO. 866, affiliated with INTERNATIONAL BROTHERHOOD OF TEAMSTERS, CHAUFFEURS, WAREHOUSEMEN AND HELPERS OF AMERICA, hereinafter referred to as the "UNION" and the BOROUGH OF FLORHAM PARK, N. J., hereinafter referred to as the "BOROUGH".

The effective date of this Agreement is January 1, 1992. The Borough and the Union agree as follows:

### ARTICLE I

#### RECOGNITION

##### Section 1

The Borough recognizes the Union as the exclusive representative for the purposes of collective bargaining with respect to rates of pay, hours of employment, benefits and other conditions of employment of all employees in the Road, Buildings and Grounds and Water groups excepting the Supervisor of Roads, the Water Superintendent, Office Clerical and other members of Borough management.

##### Section 2

For purposes of this agreement the term employee or employees shall mean a member or members of the bargaining unit as set forth in Section (1) of this article.

## ARTICLE II

### AGENCY SHOP

#### Section 1

Purpose of Fee: If an employee covered by this Agreement does not become a member of Local 866 during any membership year (i.e. from January 1 to the following December 31) which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Local for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Local as majority representative.

#### Section 2

##### Amount of Fee

##### a. Notification:

Prior to the beginning of each membership year, Local 866 will notify the Borough in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Local to its own members for that membership year. The representation fee to be paid by nonmembers will be equal to 85% of that amount.

##### b. Legal Maximum:

In order to adequately offset the per capita cost of services rendered by Local 866 as majority representative, the representation fee should be equal in amount to the regular membership dues, initiation fees and assessments charged by the Local to its own members, and the representation fee has been set at 85% of that amount solely because that is the maximum presently allowed by law.

### Section 3

#### Deduction and Transmission of Fee

##### a. Notification:

Once during each membership year covered in whole or in part by this Agreement, Local #866 will submit to the Borough a list of those employees who have not become members of the Local for the then current membership year. The Borough will deduct from the salaries of such employees, in accordance with paragraph "b" below, the full amount of the representation fee and promptly will transmit the amount so deducted to Local #866.

##### b. Employment:

On or about the last day of each month, beginning with the month this Agreement becomes effective, the Borough will submit to Local #866 a list of all employees who either began or terminated their employment in a bargaining unit position during the preceding 30-day period. The list will include names, addresses, job titles, social security numbers, rate of pay and dates of employment for all such employees. Temporary and part-time employees are exempt from payment of the representation fee and change in employment or termination of employment need not be reported.

#### ARTICLE III

##### CHECK - OFF

The Borough agrees that it will, on the first payroll of each month, deduct the Union dues/representation fee from the pay of each employee for whom the Union has supplied, in accordance with law, a written statement signed by the employee authorizing these deductions. The Borough further agrees that it will transmit such dues/fees along with a list of those employees from whom

deductions were made to the Secretary-Treasurer of Local #866 within 10 days after the dues are deducted.

After an employee has been employed for 90 days, the Borough agrees to deduct the Union initiation fee in four (4) consecutive payments and to transmit such deductions as set forth above.

The union will furnish the Borough a written statement of the dues and initiation fees to be deducted.

#### ARTICLE IV

##### PROBATIONARY PERIOD

All newly hired employees shall serve a probationary period of 90 calendar days. During this probationary period the Borough reserves the right to terminate a probationary employee for any reason. Such terminated employees shall not have recourse through the Grievance and Arbitration provisions of this Agreement.

#### ARTICLE V

##### SENIORITY

Seniority shall mean a total of all periods of employment within classifications covered by this Agreement.

An employee shall lose seniority rights only for any one of the following reasons:

- a. Voluntary Resignation.
- b. Discharge for just cause.
- c. Failure to return to work within the prescribed period upon recall as provided in the layoff and recall provisions of this Agreement.
- d. Continuous layoff beyond recall period for re-employment outlined elsewhere in this Agreement.

## ARTICLE VI

### NOTIFICATION TO THE UNION

The Borough will notify the Union in writing of all promotions, transfers, suspensions and discharges.

The Borough will notify the Union in writing prior to a layoff.

## ARTICLE VII

### PROMOTIONS AND DEMOTIONS

#### Section 1

The Borough agrees to give preference to employees within the bargaining unit when filling all job vacancies before hiring new employees provided that among employees then in the bargaining unit there are an adequate number who are physically and otherwise qualified to learn the work associated with such vacancies and they are willing to do so.

#### Section 2

The Borough shall post all job vacancies. The Borough shall post a notice stating the name of the job classification, location of assignment and requirements. In addition, the notice shall invite bids from employees. This notice shall remain posted on all bulletin boards for five (5) working days. However, the posting period shall not be considered closed until all employees have been notified of the vacancy.

#### Section 3

Employees have the right to bid laterally. A lateral transfer shall be awarded to the most senior employee who bids for the job, provided that he has the physical and other qualifications necessary to fill it.

#### Section 4

When selecting the promotable employee from among those employees who have bid on a job promotion, the most senior employee shall be awarded the promotion unless he does not have the qualifications to fill the job. In the event that the most senior employee is not qualified, the next most senior employee shall be considered for the position under the same conditions as stated above.

#### Section 5

The successful bidder shall receive a trial period of ninety (90) days on the new assignment. Such employee shall be compensated at the rate of pay of the new classification.

The Union and the employee will be kept advised of the progress made in learning the new assignment. If during the trial period and after having been given the necessary constructive guidance and assistance necessary to learn the duties associated with the new position the employee fails to successfully meet these requirements, such employee shall be returned to the classification formerly held and shall assume seniority and pay as though the old classification was never vacated.

In the event a surplus exists in a particular classification, employees with the least lower classification seniority shall be demoted to the next lower classification. Such demoted employees shall be maintained at their old rate for a period of four (4) weeks before being reduced to the rate of pay of the classification demoted to.

#### Section 6

When an employee is promoted from a lower rated job to a higher rated

job, he shall receive the salary for the higher rated job which is at the same step on the progression scale as was his salary in the lower rated job.

#### ARTICLE VIII

##### CONTRACTING

The Borough reserves the right to continue contracting all types of work which it has normally been contracting in the past and to contract certain types of work which may arise in the future. In the latter case the Borough agrees to notify the Union in advance of such proposed contracting.

The Borough may contract work only if the following conditions are met:

- a. There are no employees on layoff with unexpired recall rights who are qualified to perform the work which will be sub-contracted.
- b. No employees will be laid off during the period of the work being contracted.
- c. The work cannot be done by the existing employees within the time such work is required to be completed.

#### ARTICLE IX

##### SUSPENSION OR REVOCATION OF LICENSE

In the event that an employee loses his New Jersey drivers license, the Borough will endeavor to continue his employment during the period of suspension or revocation.

## ARTICLE X

### LAYOFF AND RECALL

The Borough may reduce the working force due to lack of work from any cause including budgetary constraints. In such case, the following procedure shall apply.

a. Employees shall be laid off in the order of least total seniority, regardless of classification, provided those employees remaining are capable of doing the work which must be performed. In cases where they are not capable of doing the work available, less senior persons who are capable of doing it will be retained.

b. Notice of such layoffs will be given at least 45 days before the scheduled layoff.

c. A laid off employee shall have preference for re-employment for a period of eighteen months.

d. The Borough shall rehire laid off employees in the order of greatest employment seniority provided that those who would be rehired on that basis are capable of performing the work available.

e. Notice of re-employment availability shall be sent to a laid off employee by registered or certified mail to the last known address of such employee. The employee must respond within seven (7) work days of his intent to return to work or it will be assumed that he does not desire re-employment.

## ARTICLE XI

### SEPARATION FROM EMPLOYMENT

Upon discharge the Borough shall immediately pay all monies, including earned unused vacation pay, due the employee.

Upon quitting, the Borough shall pay all monies due to the employee including earned unused vacation pay, on the payday following the resignation.

#### ARTICLE XII

##### JOB STEWARD

The Borough recognizes the right of the Union to designate one job steward and one alternate.

The authority of the job steward and alternate so designated by the Union shall be limited to, and shall not exceed, the following duties and activities:

- a. The investigation and presentation of grievances in accordance with the provisions of the collective bargaining agreement.
- b. The transmission of such messages and information which shall originate with, and are authorized by the Local Union or its officers, provided such messages and information:
  - 1) Have been reduced to writing, or
  - 2) If not reduced to writing are of a routine nature and do not involve work stoppages, slow downs, disruption of job performance, or any other interference with the Borough's business.

The job steward or alternate has no authority to take strike action, or any other action interrupting the Borough's business.

The Borough recognizes these limitations upon the authority of the job steward and alternate, and shall not hold the Union liable for any unauthorized acts. The Borough in so recognizing such limitations shall have the authority to impose proper discipline, including discharge, in the event the job steward

has taken unauthorized strike action, slowdown, or work stoppage in violation of this Agreement.

The job steward or alternate shall be permitted to investigate, present and process grievances on or off the property of the Borough provided that during his working hours the job steward or alternate shall obtain permission from his supervisor before conducting such activity.

Before a steward or alternate may officially act in such capacity the Union must notify the Borough in writing of his appointment.

#### ARTICLE XIII

##### INSPECTION PRIVILEGES

Providing prior notice is given to the Borough, authorized agents of the Union shall have access to the Borough's establishment during working hours for the purpose of adjusting disputes, investigating working conditions, and ascertaining that the Agreement is being adhered to, provided however, that there is no interruption of the Borough's work schedule.

After the Service submits a list of Arbitrators to the Union and the Employer, each shall reply with its preferred selection no later than five (5) working days after receipt of such list.

In all cases involving the discharge or suspension of any employee, the Borough will notify the employee in writing of his discharge or suspension and the reason therefor. Such written notice shall also be given to the Shop Steward, and a copy mailed to the Local Union Office, within one (1) working day from the day of the discharge or suspension.

Unless the circumstances of the case make it unwise or impractical to do so, before an employee is discharged, there shall be a written notice to the Union stating the reason(s) for the intended discharge. As soon thereafter as it is practicable to do so a conference shall be held between the Union and the Borough for the purpose of reviewing the matter.

## **Section 2**

Employees working at least four (4) hours overtime shall be entitled to a meal allowance of \$5.00 if the overtime hours worked occur between 7:00 AM and 3:30 PM and \$7.00 if the overtime hours worked occur between 3:30 PM and 7:00 AM. Should overtime requirements in any single instance extend to an additional (8) hours beyond the initial four (4) hour period, employees will be entitled to receive a second meal allowance of either \$5.00 or \$7.00, the amount to be dependent upon the time of day when the additional eight (8) hour assignment occurs.

#### **Section 6**

2) Except as provided in paragraph (1) of this subsection, unused sick leave, injury leave and loss of time benefits are not compensable when an employee is separated.

f. The Borough reserves the right to re-examine any employee to whom payments for excused absences are being made.
